# HELP US TO KEEP GIRLS IN SCHOOL

KIBERA PAD CO HELPS YOUNG GIRLS FINISH SCHOOL BY SUPPLYING FREE SANITARY PADS.

Most families in Kibera Slum are living on less than US\$1 a day so purchasing sanitary pads is impossible. No privacy, knowledge or knickers means young girls are isolated mentally and physically. 65% of girls never finish high school leaving them sick and trapped in the poverty cycle.

DONATE TODAY at [KIBERAPADCO.COM/DONATE](https://www.kiberapadco.com/donate)
